 Figures for the six months ended 31 March 2020 represent the balancing figures between audited figures in respect of the full financial year and the reviewed figures for the six month ended 30 September 2019. (ii) The Statement includes the results for the six months ended 31 March 2019 being the balancing figures between audited figures in respect of the full financial year and the special purpose restated standalone unaudited financial results for six months ended 30 September, 2018 prepared in accordance with recognition and measurement principles of Ind AS, after giving effect of the adjustments relating to incorrect accounting for Compulsory Convertible Preference Share ("CCPS") and Income from export benefits. The special purpose restated standalone unaudited financial results of the Company as at and for the six months ended ended 30 September 2018, prior to giving effect of aforesaid adjustments, were reviewed by predecessor auditors on which the auditor had issued an unmodified conclusion dated 8 July 2020

Effective 1 April 2019, the Company has adopted Ind AS 116 "Leases", applied to all lease contracts existing on 1 April 2019 using the modified retrospective method along with the transition option to recognise Right-of-Use asset (ROU) at an amount equal to the lease lability. Accordingly, comparatives for the six months and year ended 31 March 2019 have not been retrospectively adjusted. The effect of this adoption is not material on the loss and earnings per share for the six months and year ended 31 March 2020.

The Company has accumulated losses of Rs. 915.34 million as at 31 March 2020, resulting in complete erosion of the net worth of the Company, However, CCPS amounting to Rs. 2,548,27 million disclosed as non current financial liability in the standalone audited financia results will be converted into equity share capital in future. The details are available at https://www.bseindia.com/stock-share-price/gluhend-india-pvt-ltd/8gipl21/957731/corp

The figures for the previous period/year have been regrouped wherever necessary, to make them comparable to current year classifications.
