## INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM STANDALONE FINANCIAL RESULTS

### TO THE BOARD OF DIRECTORS OF GLUHEND INDIA PRIVATE LIMITED

- 1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of **Gluhend India Private Limited** ("the Company"), for the quarter ended 30 June 2022 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Our audit report dated 30 December 2022, on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") as included in Annexure A to the Independent Auditor's Report for the year ended 31 March 2022 included qualifications among other matters relating to material weakness identified with respect to:
  - a) period end adjustments including related presentation and disclosure requirements as mandated by Indian Accounting Standards and other provisions for the Companies Act, 2013. This could potentially result in material misstatement in the financial statements.
  - b) issue of inventory for production and consequent impact on inventory records. This could potentially result in a material misstatement in the recording of consumption and period end inventory account balances in the financial statements.

The Company has not remediated the above material weaknesses during the quarter ended 30 June 2022.

5. Based on our review conducted as stated in paragraph 3 above and except for the possible effects of the matters described in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

### Deloitte Haskins & Sells LLP

### 6. Emphasis of matters

We draw attention to:

- a) Note 4 to the Statement, which explains that the financial results have been prepared on a going concern basis for the reasons stated in that note.
- b) Note 5 to the Statement, which describes matters relating to non-submission of unaudited standalone financial results for the quarter ended 30 June 2022 to BSE. Additionally, the financial results for interim periods and for the financial years 2019-20 to 2021-22 were submitted after the timeframe required in Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended. Further, BSE Limited has temporarily suspended the trading of Non-Convertible Debentures (NCDs) of the Company subsequent to the quarter end.

Accordingly, the Company could be liable to certain penal provisions for the aforesaid non compliances under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The consequential penalties due to these non-compliances to the extent not paid has been ascertained by the management on an estimated basis and recognised in the financial statements.

c) Note 6 to the Statement, with respect to outstanding foreign currency debit notes of Rs. 423.39 million (including Rs. 421.58 million pertaining to wholly owned subsidiary) and credit notes of Rs. 718.40 million (including Rs. 700.84 million pertaining to wholly owned subsidiary). This situation constitutes non-compliance with the Foreign Exchange Management Act, 1999 (FEMA) for which the Company will need to get necessary approvals from the Authorised Dealer (AD) Bank and the Reserve Bank of India. The potential impact, including liability for penal charges, is currently indeterminable. However, the Company does not anticipate significant penalty and has made provision on best estimated basis, as the delays are due to legitimate reasons.

Our conclusion is not modified in respect of these matters.

### 7. Other matter

As stated in note 2 to the Statement, the comparative financial information of the Company for the quarter ended 30 June 2021 have not been presented by the Company.
